- Executive Dennis Gannon spoke about a discussion, at the last Council Meeting, regarding a trailer being purchased for the Solid Waste Department. During the meeting Councilman Tullock mentioned he had contacted the vendor and asked for a quote for the same trailer. Mr. Tullock said when he received the quote it was less than the quote the County received. Due to the confusion on the difference in price Mr. Gannon asked the Purchasing Department to contact the vendor and request a copy of the bid they gave to the purchaser the day before. When comparing the two quotes there were some differences. Mr. Gannon said since the bidding process has been spoiled on the trailer going forward, we will either rebid the trailer or not move forward with this purchase. We will also need to return the grant money received for the trailer purchase.
- Executive Gannon gave an update regarding a property issue, in Fenton, brought up at last month's Council Meeting. The County Code Enforcement Department has reached out to them and are following up on the issue.
- Executive Gannon gave an update on our Sales Tax for this year.
- Announced the Public Administrator, Steve Farmer, gave his resignation letter with his intent to retire at the end of May 2023. The Jefferson County website has been updated with a notice that applications are being accepted. This position is appointed by the County Executive.
