| <b>16. Project Details:</b> Project is located at the intersection of Lonedell Road and Tomahawk Drive. Project will include closed drainage from Tomahawk Drive along Lonedell Road and under Lonedell Ridge Road to eliminate the concentrated flow from the roadway. Manholes, pavement repair and traffic control will be included. Installation of pipe and roadside improvements shall be constructed to allow the local roads to remain open. |                                                                                                                                                                                                   |
