

NOTICE OF PUBLIC OPEN HOUSE MEETING

COMMERCE DRIVE BRIDGE REPLACEMENT PROJECT NO. BRO-B050 (024)

Notice is hereby given to all interested persons that a public open house meeting will be held to view the proposed Bridge Replacement for Commerce Drive. The Bridge Replacement is located just off West Outer Road on Commerce Drive. The public open house will be held at the Jefferson County Library – Arnold Branch at 1701 Missouri State Rd, Arnold, MO 63010 on Wednesday September 28th 2022 from 4:00 PM to 6:00 PM.

Access is available for individuals requiring personal assistance. The purpose of this open house meeting is to introduce the new proposed bridge replacement project.

Written statements will be received and made part of the public meeting record if received within ten days after the date of the hearing. The presently contemplated improvements are as follows:

The purpose of this project is to replace the existing Commerce Drive bridge that is considered structurally deficient. The bridge currently has a recommended 7 Ton weight limit posting and is currently closed to one lane of the bridge. Due to multiple deficiencies, the County is proposing a total replacement of the existing bridge. The County anticipates that a replacement bridge will be the most cost-effective means to construct this proposed project. The proposed bridge length will be a 48' span consisting of concrete box beams, with two 15' lanes on the bridge. The bridge is planned to be constructed in phases to allow for 1-way traffic at all times without closures. Construction is scheduled for fall 2023.

Tentative schedules for right of way acquisition and construction can be discussed at the hearing.

**“Please be Advised: Members of the County Council May
Be in Attendance at this Meeting”**

If you require personal assistance at the public meeting, please notify the Jefferson County Department of Public Works by September 27th 2022 at 636-797-5340 so that arrangements for services can be made.
