STREET / STOP SIGN
INSTALLATION AGREEMENT

This AGREEMENT is entered into by and between the Jefferson County Public Works Department (hereafter, "Department") and _____ (hereafter, "Owner(s)") for the exclusive right to enter upon and use the described property for the purpose of carrying out the installation and maintenance of a **STREET / STOP** (circle one or both) sign that is to be placed along the private road, street or drive known as _____ and at the intersection of the County-maintained road known as _____.

WHEREAS, the Owner(s) grant a right of entry upon the following described parcel(s) of land:

Parcel ID: _____

Project: Traffic Sign Installation off County Right of Way or Prescriptive Easement

Address: _____

NOW, THEREFORE, in consideration of the promises, covenants and representations in this Agreement, the parties agree as follows:

(1) CONSIDERATION: In exchange for the right of entry onto private property and cost of sign installation, the Department agrees to only perform the necessary described sign installation work and return any other disturbed, above ground private property to the original condition. The mutual exchange of the stated sign installation and maintenance services for the right of entry onto private property and initial cost of sign installation will constitute fair, adequate, good and valuable consideration.

(2) PAYMENT: The Owner(s) shall pay Jefferson County, Missouri one-hundred dollars and zero cents (\$100.00) for a stop or street sign installation, or one-hundred fifty dollars and zero cents (\$150.00) for both stop and street sign installations. This payment made by the Owner(s) reflects the labor, equipment and material expenses incurred by the County for the initial installation. The Department agrees to tag, track and maintain the sign installation thereafter and in perpetuity.

(3) UTILITY LOCATION: In order perform the stated work within this agreement, the Department must have all utilities properly located within the area of sign installation. The Owner(s) understand that independent utility location companies that are hired by the public utilities will be on their private property marking any public utilities that could be in conflict with Department sign installation procedures. The Department and Jefferson County, Missouri are held harmless to any damage that these independent utility location companies may cause to the private property owned by the Owner(s) stated in this agreement, or any adjacent properties affected. The Owner(s) further understand that painted markings or location flags from utility location process may be marked on their private property by others. The Department reserves the rights to adjust sign installation locations based on the in-field location of public utilities. The Department and Jefferson County, Missouri are held harmless of any damage incurred to unmarked, underground private property that is owned by the Owner(s).

(4) PROPERTY DESCRIPTION: Attached hereto are photographs, maps, plats, parcel ID's or other physical descriptions of the sign installation that is to be maintained or improved by the County. Both parties agree that the physical description will be the only actual or immediate adjacent areas subject to this agreement.

(4) DURATION OF OCCUPANCY: The Department agrees that upon completion of the previously described work on the above-noted route or property and projects, all right of entry onto the described private property that has been granted to the Department by the Owner(s) shall cease and be no longer in effect, except for the need for post and/or sign maintenance or replacement. The specific duration of the right of entry onto private property for the purpose of initial sign installation shall be from _____(date) to _____(date)

IN WITNESS WHEREOF, the parties have entered into this Agreement on the date written below.
