15. **Estimated Completion Date:** Spring 2021
16. **Miscellaneous Information** (location, description of work, detour roads, utilities relocation, message boards, shoulder width, etc.):

This proposed project includes the realignment of the South leg of Cedar Hill Rd. at the intersection with Local Hillsboro Rd. in Cedar Hill, MO. Center of project coordinates are 38o22'0.8"N, 90o37'44.85"W. The construction activity will include removal the existing non-compliant intersection, and replace with an improved geometric alignment. The project will also include stormwater improvements, sight distance improvements, decrease in disruptions to flow of traffic by adding turn lanes, symmetry with the North Leg of Cedar Hill Rd., and increased safety for the students of Northwest High School.
