## **COMPANY PROFILE**

Worley Services, Inc. has been in business since 1999 and established as a corporation on June 17, 1997. Our main office is located on Poplar Bluff, MO.

Worley's is licensed as a General Contractor in Missouri, Arkansas, Kentucky, Kansas, Oklahoma, Tennessee, and Texas.

Worley's will travel to any locations and can mobilize and begin work within 24 to 48 hours of Notice to Proceed.

All project management personnel has Red Cross safety certificates, OSHA certified and are certified through the U.S. Army Corps of Engineers for Construction Quality Management for Contractors.

Project worksite safety is an uppermost priority at our company, therefore on each job daily safety meetings with all personnel are conducted.

Our firm has an excellent bonding ability, acquired by years of experience, our standard of excellence and our financial strength. All projects have been fully bonded. Our company has never defaulted, been debarred or failed to complete any project.

Our company maintains the staffing and equipment to rapidly respond to emergency situations throughout the United States. Our vast experience with these types of government and private contracts enables us to quickly respond to meet the needs of our client.. Licensing, bonding, insurance and permits are obtained as required by the Owner, prior to mobilization on any project.

Dunn & Bradstreet #: 829581305  
Central Contractors CAGE Code: 1MGR5  
Federal ID #: 11-3652418

Our Project Staffing includes: Corporate and Project Management, Quality Control Manager, Site & Field Superintendents, Environmental Compliance Officer, Equipment Operators, Safety Officer, Drivers, and Laborers.

Our Corporate Office Staff includes: Professional Services, Accounting and Finance, Business Management, Equipment Maintenance and Management and other support staff.

The success of all our projects requires that we excel in several key areas. These areas include; responsiveness, financial strength, and the ability to coordinate and manage multiple sites and subcontractors. YGCI has taken pride in the ability to continually meet the requirements of these key areas. Our Safety Record is exemplary due to the strict adherence to safety management and training.

To Whom It May Concern:

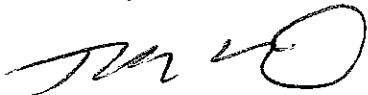

Omni Tree Service, Inc. is a full service tree company that serves the greater St. Louis area for over 25 years. Services that we offer include tree removal, trimming, stump removal and complete plant health care.

We have four certified arborists on staff and specific crews for each application. Our equipment includes a 35 ton crane, several bucket trucks, stump grinders, skid loaders and various other equipment.

Omni Tree Service, Inc. is accredited with the Better Business Bureau and has an A plus rating with Angie's List. Our affiliations include International Society of Arborists, Tree Care Industry Association and St. Louis Arborist Association.

We are fully insured and have included a certificate of insurance. If you would like additional information, please contact our office at 636-391-9944.

Thank you,

Thomas M. Reid  
President

St. Louis MO 63126

## Overview

AllTree Care LLC would like to be considered for the Jefferson County On-Call landscaping and tree services including, but not limited to removal, trimming, and debris clean-up at the various locations as required.

## Experience

1. AllTree Care has been in business locally since 1978
2. AllTree Care is run by a certified arborist, so we are able to treat and diagnose trees, we are not limited to simply trimming and removals.
3. We have over 10,000 satisfied customers in the region
4. AllTree Care has an A+ rating with the Better Business Bureau, we are members of the Tree Care Industry of America, as well as the National Arborist Association.

## Background

AllTree Care LLC is a family owned and operated business in Missouri since 1978. President, Felix Nau, graduated from University of Northern Colorado with a Bachelor of Science Degree in Earth Science. He began his career in Southern Florida, before coming to Missouri to become the tree surgeon he is today.

Residential and Commercial Services alike, no job is too big or too small for AllTree Care. We specialize in the diagnosis and treatment of trees. We offer a full line of feeds and sprays, as well as perform necessary removals in the event of a dead limb, branch, or tree. We also assist with structure and line clearance and offer 24/7 emergency services in the event of storm damage

## Testimonials

Recent customer testimonials can be viewed on our website at [www.alltreecarellc.com](http://www.alltreecarellc.com), as well as reviewed with the Better Business Bureau. The most recent response was quoted, ***"Your team did a great job! They were prompt, efficient, courteous and cleaned up the area very well when they finished. I can't remember the fellow's name who was climbing the trees, but for a forty-something, he was amazing. You can certainly use me as a reference of a satisfied customer."*** Steve S. from Affton

## Certifications and Experience

### I. Certified Arborist

All estimates are performed by a certified arborist to ensure that the right diagnosis is made for the tree, unless of course a removal is what is desired, or required.

### II. Experienced Climbers and Groundsmen

Our crew is highly experienced with many years of tree climbing experience under their belt. Quality is ensured by the crew, and each customer is treated with respect, and each property treated as if it were their own.

For more information, testimonials, and pictures of recently completed jobs, please visit our website at [www.alltreecarellc.com](http://www.alltreecarellc.com)

10/19/15

Kristy Moss  
Deputy Director of Public Works  
Jefferson County, MO

Dear Ms. Moss,

This letter hereby expresses our company's interest in contracting with Jefferson County, Missouri for periodic tree related services. You will find that we are qualified and equipped to perform this work in a safe and efficient manner, according to all industry standards.

Timberline Professional Tree Care, LLC is the only tree care provider in Jefferson County to employ a Board-Certified Master Arborist, as designated by the International Society of Arboriculture (ISA). In addition, Timberline also has two ISA Certified Arborists on staff, and other workers in the process of becoming certified.

We take a great deal of pride in strictly adhering to standards in tree care, as spelled out in **ANSI A300** (best practices for tree care operations) while operating within all **OSHA** guidelines set forth for this industry. Our employees are second to none, as are our reviews and testimonials that can be found in several places online.

# Timberline

3670 Rice Rd. Pevely, MO 63070  
(636)-209-8139  
www.stltreecare.com

Our company has more experience in working with municipal arborists and large clients than any other service provider in Jefferson County. Some of our more well-known municipal and larger clients include:

City of Chesterfield, Missouri; Mindy Mohrman, municipal forester

City of Richmond Heights, Missouri; Tim Brunsman, municipal forester

City of Greendale, Missouri; Monica Huddleston, Mayor

Jefferson College, Hillsboro Missouri; Ed Tomaszewicz, Director of Buildings and Grounds

Missouri Department of Transportation; Tim Huskey, Supervisor

Principia College Elsah, IL; Greg Short, Director of Buildings and Grounds.

Each of these clients have contracted work with Timberline within the past 12 months, and would provide testimonials regarding our quality of work upon request.

As a resident of Jefferson County, I would like to thank you personally for reaching out to us, and any other local companies to provide required services.

Sincerely,  
Benjamin Barnett
